

Outcomes of the speakGreen Workshop during the 3rd Canadian Positive Psychology Conference

At the beginning of the workshop, the red words and expressions were mentioned by the participants and after the speakGreen presentation and input, we all collected the green words and expressions together.

not fond of	to hate
what would be more perfect for me?	to hate
I prefer...	to hate
<< her name >>	the wife
listen more deeply	to push back
another perspective	to push back
push forward	to push back
push together	to push back
- - -	L - loser
different	L - loser
may I offer a suggestion?	you should
this is what I've seen worked before	you should
this is an idea	you should
would you like to...	you should
don't should on me	you should
can you	you should
have you thought that through...?	what were you thinking?
tell me more...	what were you thinking?
- - -	fuck!
fudge!	fuck!
In this situation, I see you doing/ hear you saying XYZ and I wish you would do it faster.	You are slow.

Thank you very much again for participating in this workshop! ☺
